

S.No	Queries	CARE India Response
1	kindly allow us to submit our quotes with sample pictures only, instead of physical samples	Picture cannot be considered instead of sample as there are scoring on the basis of sample. Kindly submit sample as well.
2	<p>For Shelter Kit, SI No. 2 - Rope - The specification mentioned is diameter should be 8 -10 mm ,each bundle weight should be 1 Kg and Length required is 10 Metre.</p> <p>If we provide Rope in 8- 10 mm diameter and length 10 Metre then the weight of each bundle will be less than 1 Kg. We request you to please reconfirm the weight of each bundle.</p>	<p>Since the rope's diameter mentioned is 8-10 mm, the weight can vary in between 800-1000gm respectively.</p>
3	For Hygiene Kit, SI No. 11 & 16, whether any photographs are available?	Photos not available of the particular item i.e. washable baby napkin & Draperies. Draperies is a rectangular white cloth piece (120*100cm)
4	For Shetler Kit, Hygiene Kit & Dignity Kit, whether HDPE bag or Cartoon packing is required ?	HDPE bag is required with CARE logo
5	Could you please specify the quantity required under this contract; accordingly we can able to work on the warehouse cost. So the warehouse storage cost won't be higher for small quantity stock.	<p>Quantity for Warehousing cost</p> <ol style="list-style-type: none"> 1. New Delhi – 500 kits 2. Patna – 1000 kits 3. Bhubaneshwar – 500 kits 4. Tamil Nadu – 1500 kits 5. Lucknow – 500 kits
6	We already hold the stock of CARE hygiene kit and dignity kit in our warehouse with LTA valid till 31 st March 2021; do we need to	New order shall be done only as per future requirement post any emergency scenario and CARE India taking a decision to respond, means

	stock again if we get awarded and we don't get the awarded will the stock be taken from our warehouse?	if an agency gets selected does not mean that just after annual agreement, they will get order. If current vendor did not get selected, then stock will be moved.
7	Expiry of the products mentioned as 80% during packing time; but since we stock the goods it will be the same during dispatch of the kits during emergency.	Vendor needs to ensure 80% self-life of product at the time of kit packaging and not at the time of dispatching.
8	Regarding samples do you need one pcs in each items or an entire kit as per the packing we will be offering.	Sample of each kit (Shelter, Hygiene & Dignity) needs to submit separately on or before RFP date at Noida office.
9	Since these kits are being distributed during emergency will it be possible to know the IN time and Out time of the kits, so we can plan the procurement of the kits so the expiry of the goods can be managed.	Early planning of kits procurement cannot be done. This will be known post the emergency and CARE India's decision to respond.
10	The validity of the price? since it's a LTA we need to know this to calculate the pricing accordingly.	This annual master rate agreement shall be valid for one year and may extend based on organization requirement and mutual consent.
